## Work Line by GT Tool Bag BAG & CASE PTS R

EAN 8024482189512

### Maximum Versatility and Organization for the Professional on the Move

The BAG & CASE PTS R tool bag is the ideal solution for professionals looking for the perfect balance of functionality, durability, and comfort.

This professional backpack and tool bag combines a compact design with outstanding organizational capacity, thanks to the FLEXI POUCHES™ system, modular dividers and parts drawers.

Built to withstand intensive use on job sites or in maintenance work, it's the ideal tool bag also suitable as a daily transport work backpack or tool case.

#### Feature

##### 1. Intelligent and customizable tool organization.

The two tool panels with FLEXI POUCHES™ system offer flexibility and quick access to tools, making this work tool bag ideal for electricians, maintenance workers, and mobile technicians.

##### 2. Maximum stability and order with modular bottom.

The high-stability modular divider base allows customized internal space division, keeping even small tools and components tidy.

##### 3. Protection and security during transport.

The zip closure with metal rings allows a padlock to be used to protect your tools from unauthorized access, making it a secure tool case as well.

## 4. Optimal transport comfort.

The adjustable shoulder strap lets you carry the bag like a tool backpack, evenly distributing weight and reducing fatigue during movement.

## 5. Durable structure with reinforced corners.

Rubberized corners increase the bag's durability even in tough environments, making it a long-lasting professional tool bag.

## 6. Easy access thanks to new gas struts.

Gas struts ensure smooth and stable opening of the upper compartment, improving accessibility during work.

## 7. Extra space for documents and small parts.

Equipped with a document pocket and 2 small parts drawers, this tool bag perfectly suits all field archiving and organization needs.

## 8. Compact yet spacious: ideal for daily use.

With dimensions of L 455 mm x W 170 mm x H 360 mm and a weight of 4 kg, it's a compact yet roomy bag, also ideal as a work trolley backpack or transport tool case.
