## Work Line by GT Tool Bag BCF 136 R

EAN 8024482189789

### Maximum Durability and Protection for Professionals on the Move

The BCF 136 R is a professional tool bag designed for those working in challenging operational environments, including plumbers, installers, and maintenance workers.

Made of durable, waterproof, and easy-to-clean Tarpaulin, it resists water, dirt, and daily wear.

Reinforced stitching, padded adjustable strap, and a practical internal transparent document holder combine ruggedness with functionality in a compact, efficient design.

Perfect as a tool bag, tool case, or a complement to a work trolley backpack..

#### Features

**1. Waterproof and durable material for tough environments.**

Made of Tarpaulin, the BCF 136 R is a professional tool bag that resists rain, dust, and wear—ideal for intensive use on construction sites, workshops, and technical installations.

**2. Comfort and practicality during frequent movements.**

The adjustable padded shoulder strap ensures comfortable and stable transport, reducing effort and keeping your hands free while moving.

**3. Secure closure for reliable protection.**

The two front buckles provide quick and robust fastening, safeguarding tools during transport and preventing accidental openings.

**4. Efficient organization of work documents.**

Equipped with a transparent inner pouch, it keeps small documents, technical sheets, manuals, or certifications secure and easily accessible.

**5. Large capacity in a compact format.**

With dimensions of 520 x 200 x 180 mm and a weight of 1.47 kg, this tool bag offers generous space for essential tools while maintaining a slim, easy-to-carry profile.
