Work Line by GT Tool Bag BTP 02 R

EAN 8024482189741

Complete Organization and Maximum Visibility for the Professional

The BTP 02 R is an extremely durable, versatile, and secure professional tool bag for those working in dynamic environments and needing full control.

Made of tear-resistant 600D nylon with reinforced stitching, galvanized steel base, and reflective inserts, it ensures durability, resistance, and visibility even in low light conditions.

The dual 90° foldable front and rear flaps, FLEXI POUCHES™, and PSS™ system provide top-level internal organization.

Perfect as a compact tool case, work backpack alternative, or tool case for integration into a tool trolley.

Features

1. Ultra-resistant structure for intensive professional use.

Built with 600D tear-resistant nylon, reinforced stitching, and a galvanized steel inner base, the BTP 02 R withstands impacts, abrasions, and daily wear, making it a tool bag designed to last.

2. Enhanced visibility for increased safety.

Reflective inserts improve visibility in low-light environments, enhancing operator safety on construction sites and in nighttime work areas.

3. Full access thanks to dual fold-down front panels.

The front and rear panels with 90° openings allow easy access to the entire tool set, turning this bag into a fully accessible professional work backpack.

4. Maximum tool organization.

The internal FLEXI POUCHES™ and modular PSS™ system enable precise, organized, and secure tool storage for optimal operational efficiency.

5. Extra space and smart functionality.

PRODUCT DATA SHEET

The external side pockets provide additional storage for quick-access tools, while the external level holders allow safe transport of long tools without cluttering the interior.

6. Total comfort during transport.

Equipped with an adjustable padded shoulder strap and a rubber-grip handle, this professional tool bag ensures safe and easy transport in any situation.

7. Structured and compact capacity.

With internal dimensions of 415 x 180 x 270 mm and a weight of 4.4 kg, the BTP 02 R is a compact yet comprehensive tool case, ideal for those seeking a balance between space, organization, and portability.
