# GT Line Trolley Professionale New Mega Wheels PEL

EAN 80244820091 17

Reliability and Innovation for Professionals on the Go

The **New Mega Wheels professional trolley** is the ideal solution for professionals who need a **safe and organized transport of their tools**.

With its **robust** construction and advanced technologies, this tool case is **designed to withstand extreme conditions and ensure easy and safe access**.

With built-in INTELLIRESPOND technology, you can manage and control your instruments in a simple and intuitive way.

### Features

- 1. Increased robustness and stability during transport:**  
Moulded in roto molding, the polyethylene shells with built-in feet offer excellent protection against impact and abrasion.
- 2. Security and ease of access during airport security checks:**  
Keyed TSA approved locks allow for easy inspection of luggage by authorized personnel, preventing unwanted breakage.
- 3. Longer life and resistance over time:**  
Metal lid holder arms ensure that the lid stays open safely during use.
- 4. Smooth and effortless transport, even over long distances:**  
The telescopic grab bar is designed for a comfortable grip, while the ball-bearing wheels ensure easy mobility.
- 5. Customization of the interior space for better organization of tools:**  
The bottom of the storage compartment is equipped with adjustable dividers that allow you to adapt the space according to your specific needs.
- 6. Comfortable carrying that reduces fatigue:**  
Designed for a secure grip, the ergonomic rubber-coated handle makes it easy to carry even for long periods.
- 7. Maximum strength and safety:**  
The sturdy steel hinge riveted in several places ensures that the suitcase stays closed and protected.
- 8. Space-saving during transport and storage:**  
The ability to stack the trolley makes it easier to manage space.
- 9. Quick access to important documents:**  
The document pocket is ideal for keeping tickets, contracts and other documents close at hand.
