Tool Trolley 01 R

EAN 8024482188744

Trolley and Backpack in One Tool for Maximum Versatility

The Tool Trolley 01 R is the ideal solution for professionals looking for a practical, well-organized, and easily transportable tool bag.

This work trolley backpack combines the capacity of a tool case with the convenience of a professional backpack, thanks to its retractable shoulder straps that quickly transform it into a tool backpack.

Equipped with two reversible panels — one with tool pockets and the other with a padded compartment for laptops up to 15" — it allows you to safely transport both tools and electronic devices.

Two additional front pockets complete the profile of a perfect tool case for professionals working in the field.

Features

- 1. Dual function**
Professional trolley and backpack.
- 2. Detachable shoulder straps**
Allow quick switching between trolley mode and work backpack, offering maximum flexibility for daily transport.
- 3. Two reversible and organized internal panels**
One panel with tool pockets for an orderly layout of tools; the other with a padded laptop pocket up to 15", to protect electronic devices.
- 4. External organization for documents and accessories**
The two front pockets are ideal for manuals, technical documentation, stationery, or small parts, making the tool trolley a complete and functional tool.
- 5. Protection and practicality in every situation**
The padded laptop pocket ensures safety during transport, while the modular internal configuration allows adaptation to the professional's needs.
- 6. Ideal for technical interventions, service, and maintenance**
Whether you are an installer, a maintenance worker, or a field technician, the Tool Trolley 01 R lets you always carry what you need, in order and without effort.

PRODUCT DATA SHEET

7. Perfect compatibility with GT Line tools

Use it alongside tool cases, tool bags, tool rolls, and other accessories—it integrates perfectly into any professional operator's kit.

8. Compact design and guaranteed portability

Optimized to move easily even in tight spaces, transport vehicles or stairs—it's the perfect hybrid between a professional case and a tool backpack.
