### GT Line Professional Trolley Flash WH 2 PEL

EAN 8024482185187

#### Sturdy and Functional Tool Trolley

The Flash WH 2 professional trolley from GT Line is the ideal choice for those looking for a durable, versatile and comfortable to carry tool case. Made with an injection-molded ABS body and sturdy aluminum profiles, this *professional enclosure* combines lightness and solidity. Perfect for technicians and maintenance technicians on the move, the WH 2 Flash ensures perfect tool organization and long life even in demanding conditions. An excellent solution for those looking for a quality *professional suitcase* at a competitive price.

#### Features

- 1. Durable construction for long-lasting reliable protection**  
The high-strength ABS body and aluminum profiles ensure protection from impacts, drops and daily wear and tear, making the Flash WH 2 a durable *professional enclosure* even in the harshest working environments.
- 2. Smart organisation of tools and documents**  
Equipped with 2 tool panels with elastic bands and a practical document pocket, the *Flash WH 2 tool case ensures that everything is always organised and easily accessible.*
- 3. Bottom with removable dividers for total flexibility**  
The bottom of the case includes modular internal dividers, ideal for customizing the space according to the size of the tools and accessories.
- 4. Reinforced security for your tools**  
Two keyed locks and security hinges ensure a solid lock, protecting the contents from accidental opening and unwanted access.
- 5. Easy cleaning and fast maintenance**  
The internal surface is designed to be easily washable, always ensuring order and hygiene in your *tool case.*
- 6. Maximum comfort during transport**  
The telescopic handle combined with the smooth-running wheels and the ergonomic handle with rubber grip makes transport comfortable even during frequent movements or over long distances.
- 7. Ideal for professionals on the go**  
The compact design and trolley system make the Flash WH 2 perfect for those who need a *practical, robust and always ready to use tool case.*
