## Work Line by GT Tool Bag Top 04 R

EAN 8024482188904

### Practicality, Protection, and Comfort on the Move

The TOP 04 R is a compact and durable tool bag designed to deliver maximum comfort and efficiency for field workers.

Featuring padded pockets for tool protection and an adjustable shoulder strap, it's the ideal choice for electricians, installers, maintenance workers, and technicians who need a professional tool bag that's easy to carry.

The reinforced anti-shock base ensures long-lasting durability, making it perfect as a standalone work tool bag or an accessory inside a professional case, trolley, or tool suitcase.

#### Caratteristiche

**1. Padded pockets for secure tool protection.**

Tools are housed in protected compartments that keep them stable and safe from impact or abrasion during transport.

**2. Adjustable shoulder strap for comfortable and personalized transport.**

Ideal for work on the move, the tool bag can be comfortably carried over the shoulder, even during frequent travel.

**3. Reinforced shockproof bottom for greater durability.**

Designed to withstand demanding work environments, this professional tool bag resists falls, bumps, and uneven surfaces.

**4. Compact and well-balanced design.**

With dimensions of 410 x 230 x 300 mm and a weight of 1.30 kg, the TOP 04 R combines capacity and portability without being bulky.
