## Work Line by GT Tool Holder Panel

### Tool Roll 15T R

EAN 8024482189420

#### Maximum Organization in an Ultra-Compact Format

The Tool Roll 15T R is a practical, lightweight tool roll for professionals who always need essential tools close at hand with fast, tidy access.

Equipped with 15 pockets for tools, it's ideal for carrying hand tools like screwdrivers, wrenches, pliers, and small parts.

Highly versatile, it can be used inside a tool bag, backpack, case or even carried on its own for quick tasks.

Thanks to its foldable design and low weight, it's the perfect accessory to pair with any GT Line professional case, work bag, or trolley.

#### Features

- 1. 15 pockets for organized tool management.**  
Offers efficient organization for hand tools of various sizes, improving access and reducing intervention times.
- 2. Open format: 680 x 320 mm for full visibility.**  
Once opened, the generous dimensions allow tools to be laid out clearly and neatly, avoiding overlaps and confusion.
- 3. Roll-up design, ideal for mobile use.**  
Once closed, the roll occupies minimal space, perfect for inserting into a work tool bag or compact tool case.
- 4. Lightweight: only 0.40 kg.**  
Easy to carry anywhere, even by hand or in a tool pouch, without adding unnecessary weight.
- 5. Perfect for technicians, maintenance workers, and mobile craftsmen.**  
An ideal accessory to combine with a tool case, professional backpack, or tool bag to increase organizational capacity without sacrificing practicality.
- 6. Full compatibility with Work Line by GT solutions.**  
Perfectly integrates with tool cases, work backpacks, and tool bags from the range, offering flexibility and order in any operational context.
