GT Line Atomik Neo PEL Professional Case

EAN 8024482193670

New energy for professional protection

Atomik Neo reinterprets a GT Line icon with a modern design and advanced functional solutions. The deeper base, new bumpers and the ergonomic two-tone handle enhance **comfort, capacity** and **durability**.

The key lock and **RFID**-ready configuration complete a case engineered for today's professional security needs.

Features

1. **Ergonomic Handles** – Ergonomic two-tone handles designed to provide a comfortable and secure grip during transport.
2. **Locks** – Equipped with two key locks to ensure reliable protection of the contents.
3. **Base** – High-capacity base engineered to maximize internal volume and load efficiency.
4. **Bumpers** – Newly designed bumpers that enhance impact resistance and overall durability.
5. **RFID** – RFID-ready structure, suitable for tracking and identification systems.
6. **Name Tag** – Integrated name tag holder for quick and easy identification.
7. **Hinges** – Integrated lid hinges with built-in lid stay support, allowing controlled and stable opening.
8. **AirTag Holder** – Dedicated holder compatible with Apple AirTag for location tracking.
9. **Assembly** – All components are assembled using mechanical fasteners, making them easy to dispose of or replace. The main wear parts are secured with screws for quick and simple replacement.
