GT Line Atomik WH Neo L PEL Professional Case

EAN 8024482193731

New energy for professional mobility

Atomik WH Neo refreshes the GT Line professional trolley with an innovative design and smart solutions engineered for those who are always on the move. The deeper base, new bumpers, ergonomic two-tone handle and telescopic pull handle enhance **comfort, protection** and **practicality**, while the **oversized 100 mm wheels** with bearings ensure superior smooth rolling performance.

The key lock on the M version, combination lock on the L version and **RFID-ready** configuration complete a trolley designed for professional security and efficiency.

Features

1. **Ergonomic Handles** – Ergonomic two-tone handles designed to provide a comfortable and secure grip during transport.
2. **Wheels**: Extra-large Ø 100 mm wheels with bearings
3. **Locks** – Equipped with two combination locks to ensure reliable protection of the contents.
4. **Base** – Very high-capacity base engineered to maximize internal volume and load efficiency.
5. **Bumpers** – Newly designed bumpers that enhance impact resistance and overall durability.
6. **RFID** – RFID-ready structure, suitable for tracking and identification systems.
7. **Name Tag** – Integrated name tag holder for quick and easy identification.
8. **Hinges** – Integrated lid hinges with built-in lid stay support, allowing controlled and stable opening.
9. **AirTag Holder** – Dedicated holder compatible with Apple AirTag for location tracking.

PRODUCT SHEET

10. **Assembly** – All components are assembled using mechanical fasteners, making them easy to dispose of or replace. The main wear parts are secured with screws for quick and simple replacement.
