

PRODUCT DATA SHEET

GT Line Tool Case ATOMIK NEO M PEL (Available Soon)

EAN 8024482193670

New energy for professional protection

Atomik Neo M reinterprets a GT Line icon with a modern design and advanced functional solutions. The larger base, new bumpers, and ergonomic two-tone handle enhance comfort, capacity, and durability.

The key lock and RFID-ready feature complete a case designed for today's professional security.

Features

- Panels: 1 tool panel with elastic straps on both sides; 1 tool panel with elastic straps on one side
- Two-tone ergonomic handle: designed to ensure a comfortable and secure grip even during prolonged transport.
- Double key locks: ensure reliable protection of the contents in any professional context.
- High-capacity base: optimized structure to accommodate a greater number of tools and equipment.
- New protective bumpers: increase impact resistance and protect the case in the most demanding conditions of use.
- RFID-ready: compatible with identification and tracking systems.
- Integrated nameplate: allows immediate and professional identification.
- Hinges with integrated lid support: ensure stability and control during opening.
- AirTag holder (Apple): dedicated compartment for tracking devices.
- Mechanical assembly: components are easily replaceable; wear parts are mounted with screws for easy maintenance.
