## Work Line by GT Tool Bag Top 08 L R

EAN 8024482189208

**Functionality, Order, and Maximum Professionalism in a Compact Format**

The TOP 08 L R is an elegant and compact professional tool bag for those who need to carry tools and documents in an orderly, secure, and practical way.

Featuring a removable clipboard holder, internal tool pockets, and an external document pocket, it's ideal for technicians, inspectors, and installers who work in organized environments with high presentation standards.

Lightweight yet resistant, it fits perfectly inside a professional tool case, work backpack, or tool trolley.

### Features

1. Removable clipboard bag for organized document management.

Ideal for meetings, inspections, or field work requiring documentation and filing, combining the practicality of a tool bag with that of an office briefcase.

2. Internal tool pockets for efficient organization.

Tools are stored in dedicated, protected compartments for easy access during work.

3. External pocket for documents and accessories.

Perfect for keeping datasheets, manuals, or intervention forms accessible, even on the move.

4. Slim and compact design for agile use.

With dimensions of 420 x 60 x 300 mm and a weight of 1.30 kg, ideal for tight spaces, frequent transport, or to be inserted into a backpack or tool case.

5. Professional style for any work setting.

The clean and linear look makes the TOP 08 L R perfect for technical, industrial, or formal environments, offering a neat and polished presence.

6. Versatile use and compatibility with other GT Line products.

Usable alone or as a complement to a tool bag, backpack, or case, for a complete and modular setup.
