

PRODUCT DATA SHEET

Work Line by GT – Top Nail R Nail Pocket

EAN 8024482189451

Compact, Functional, and Always Within Reach

Top Nail R is a compact and lightweight pouch for small parts, designed to be attached to a work belt such as the Top Belt R, ensuring maximum freedom of movement and quick access to materials during daily tasks. Thanks to the drawstring bag-style closure, nails and small parts stay protected and are always ready when needed. Ideal for carpenters, joiners, technicians, and maintenance workers, it is the perfect complement to a tool bag or tool case for a complete and modular setup

Features

1. Nail pouch with drawstring closure.

Keeps the contents secure even while moving, preventing accidental spillage during work operations.

2. Easy attachment to work belt.

Perfectly compatible with the **Top Belt R** tool belt, transforming it into a **practical and customizable solution**.

3. Compact and ultra-light design.

With dimensions of **160 x 60 x 160 mm** and a weight of just **0.1 kg**, it allows **total freedom of movement** and can be worn comfortably throughout the entire workday.

4. Ideal for nails, screws, plugs, and fixing materials.

Besides nails, it's perfect for keeping all essential small parts **within easy reach** during installations or

quick maintenance tasks.

5. Essential accessory for dynamic work.

Ideal for **craftsmen and professionals** working on **ladders, scaffolding, or mobile setups**.

6. Compatible with all GT Line solutions.

Can be used in combination with **tool cases, work backpacks, tool bags, and professional trolleys** for a **modular and efficient equipment setup**.
