PRODUCT DATA SHEET

GT Line Professional Case BOMBER 170 PEL

EAN 8024482004198

Ultra-resistant and ready for anything

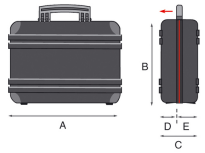

The Bomber 170 is an ultra-durable professional case, ideal for technicians and maintenance workers seeking a safe, organized, and ready-to-use tool case. It features double-wall construction with impact-resistant polyethylene shells.

Features

1. Maximum protection from shocks, extreme temperatures, and chemicals.
High-density polyethylene shells molded with roto-molding technology ensure superior protection, making this tool case ideal for demanding work environments and heavy-duty transport.
2. Double-wall structure for outstanding resistance.
The dual-layer build absorbs impacts and increases safety for your tools in the harshest conditions.
3. Smart tool management via INTELLIRESPOND App.
This integrated technology allows content tracking and digital organization, transforming your tool case into a smart working partner.
4. TSA-certified locks for worry-free travel.
Two TSA locks allow airport checks without damage, ideal for traveling professionals.
5. Metal hinges and lid supports for long-lasting durability.
Reinforced and riveted hinges offer exceptional resilience through repeated use.
6. Versatile and practical internal organization.
The base features adjustable dividers and two small parts drawers for a fully customizable layout.
7. Ergonomic handle for maximum carrying comfort.
The rubber grip enhances comfort and reduces fatigue during transport.
8. Integrated document pouch for complete organization.
Perfect for storing manuals, tech sheets, and job reports all in one professional container.
