PRODUCT DATA SHEET

GT Line Professional Trolley Atomik Neo WH L PTS (Available Soon)

EAN 8024482193755

New energy for professional mobility with a very high-capacity trolley

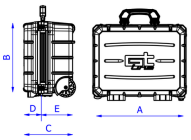

Atomik Neo WH L refreshes the GT Line professional trolley with an innovative design and solutions developed for those who are always on the move. The larger base, new bumpers, the two-tone ergonomic handle and the telescopic handle improve comfort, protection and practicality, while the oversized 100 mm wheels with bearings ensure superior smoothness. The combination lock and RFID-ready feature complete a trolley designed for professional safety and efficiency.

Features

• 2 tool panels with FLEXI POUCHES™ pockets on both sides
• 1 tool panel with FLEXI POUCHES™ pockets on one side
• Two-tone ergonomic handle: designed to provide a comfortable and secure grip even during prolonged use.
• Telescopic handle: makes transport easier, ensuring practicality and control during movement. • Double combination locks: ensure reliable protection of the contents.
• Very high-capacity base: optimized structure to hold a large number of tools and materials.
• New protective bumpers: increase impact resistance and protect the case even in heavy-duty conditions.
• RFID-ready: compatible with identification and tracking systems for modern management.
• Name tag holder: allows immediate and personalized identification.
• Oversized Ø 100 mm wheels with bearings: ensure excellent smoothness and stability on different surfaces.
• Lid hinges with integrated opening support: robust system ensuring stability and control during opening.
• AirTag holder (Apple): dedicated compartment for tracking devices, to always keep the trolley under

control.

• Mechanical assembly: all components are easily replaceable; wear parts are fixed with screws for simple and long-lasting maintenance.
