PRODUCT DATA SHEET

GT Line Professional Trolley Flash WH 2 PEL

EAN 8024482185187

Robust and Functional Tool Trolley

The Flash WH 2 professional trolley by GT Line is the ideal choice for those looking for a durable, versatile, and easy-to-carry tool case. Made with an injection-molded ABS body and reinforced with sturdy aluminium profiles, this professional container combines lightness and strength. Perfect for technicians and maintenance professionals on the move, the Flash WH 2 ensures excellent tool organization and long-lasting performance, even in demanding conditions. An excellent solution for professionals seeking a high-quality tool case at a competitive price.

Features

1. Robust structure for long-lasting protection.

Its high-strength ABS shell and aluminum edging provide impact resistance and everyday wear protection, making the Flash WH 2 a reliable choice for demanding work sites.

2. Smart layout for tools and documents.

Equipped with two elastic tool panels and a document pouch, it keeps everything tidy and within reach.

3. Flexible interior with removable dividers.

The bottom tray features modular dividers for full customization based on tool size.

4. Reinforced security for your gear.

Two key locks and reinforced hinges ensure strong closure and protect tools from unauthorized access.

5. Easy to clean and maintain.

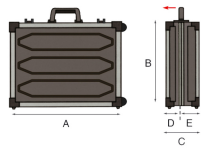

The interior is designed to be wipe-clean for lasting hygiene and order.

6. Maximum comfort in transport.

The telescopic handle, smooth-rolling wheels, and ergonomic rubber-grip carry handle ensure comfortable mobility—even over long distances.

7. Ideal for professionals on the move.

The compact design and trolley system make Flash WH 2 the perfect ready-to-use portable tool case.
