PRODUCT DATA SHEET

GT Line Professional Trolley New Mega Wheels PTS

EAN 8024482009124

Work organization and safe transportation

The New Mega Wheels professional trolley is the perfect solution for professionals who need safe and organized transport of their tools.

Thanks to its sturdy double-walled construction and advanced technologies, this tool case is designed to withstand extreme conditions and ensure easy and safe access.

Features

1. Greater robustness and stability during transport:
Roto-molded polyethylene shells with integrated feet provide excellent protection against impacts and abrasions.
2. Security and ease during airport security checks:
TSA-approved locks with keys allow authorized personnel to inspect luggage easily, avoiding breakage or forced openings.
3. Increased durability over time:
Metal lid support struts keep the lid safely open during use.
4. Smooth and effortless transport, even over long distances:
The telescopic handle is designed for a comfortable grip, and the ball-bearing wheels ensure easy mobility.
5. Customizable internal layout for better tool organization:
The bottom compartment includes adjustable dividers to tailor the space to specific needs. Tool panels with FLEXI POUCHES™ allow flexible and efficient organization.
6. Comfortable transport that reduces fatigue:
Designed with a secure grip in mind, the ergonomic rubber-coated handle ensures comfort even for extended use.
7. Maximum durability and safety:
The robust multi-point riveted steel zipper ensures the case stays securely closed.

8. Space-saving during transport and storage:
The trolley is stackable, optimizing space management.
9. Quick access to important documents:
The document holder pocket keeps tickets, contracts, and paperwork within easy reach.
10. Efficient organization of small tools and accessories:
Two parts drawers allow for neatly organizing even the smallest accessories.
11. Includes 1 double-sided tool panel with FLEXI POUCHES™ and 1 single-sided tool panel with FLEXI POUCHES™.
