PRODUCT DATA SHEET

Work Line by GT Tool Bag BAG 04 R

EAN 8024482188942

Light, organized and compact.

The BAG 04 R is a lightweight and functional tool bag designed for quick access and efficiency on the move.
With pockets of various sizes, it allows efficient tool organization, making it an ideal choice as a professional tool bag or work bag.
The top zip closure ensures contents remain secure, while the central handles provide a comfortable grip during transport.
Perfect for pairing with a professional backpack, tool case, it's a compact solution for everyday maintenance and installation tasks.

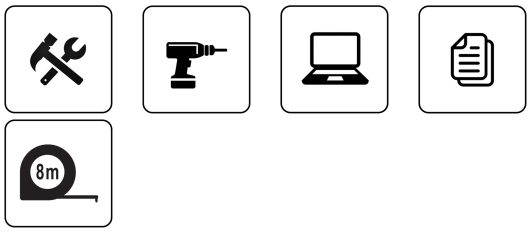

Features

1. Optimal space management with multiple pockets.
External and internal pockets of various sizes allow for practical and accessible organization of tools of different formats.
2. Secure and quick top closure.
The sturdy zipper protects the bag's contents from accidental falls and makes it easy to open and close even when wearing work gloves.
3. Convenient and immediate transport.
Ergonomic central handles ensure a firm and comfortable grip, ideal for frequent short-distance movements.
4. Compact design, ideal for any type of job.
With dimensions of 320 x 210 x 240 mm and a weight of only 0.5 kg, the BAG 04 R is perfect for those working in tight spaces or on the move.
5. Versatile tool for every professional.
Usable alone or in combination with a tool backpack, professional tool bag, or tool case, it expands the

organization and transport possibilities for your tools.
6. Durable materials for intensive daily use.
Designed to last, the BAG 04 R withstands job site wear and tear and demanding usage.
7. Perfect for electricians, installers, maintenance workers, and technicians.
Lightweight yet functional, this tool bag meets the needs of professionals who require speed, order, and practicality.
8. Work Line by GT certified quality.
Part of the Work Line range, the BAG 04 R combines GT Line reliability with the practicality of a compact, well-organized tool bag.
