PRODUCT DATA SHEET

Work Line by GT Tool Bag BCF 134 R
(Discontinued item – Available until stock lasts)

EAN 8024482189765

Durability and Waterproofing for Professionals on the Move

The BCF 134 R is a compact and rugged professional tool bag designed to meet the needs of plumbers, maintenance workers, and technicians operating in demanding environments.
Made of Tarpaulin, a waterproof and ultra-resistant material, it protects tools from weather and dust.
Reinforced stitching, padded adjustable strap, and quick-release buckles make it a reliable and practical solution for daily use.
Ideal as a compact tool case — built to go wherever you do.

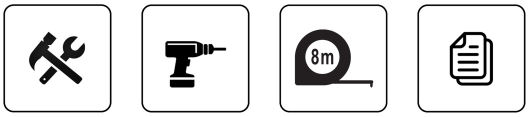

Features

1. Maximum resistance to external agents.
Made of Tarpaulin, the BCF 134 R is a tool bag designed to last: waterproof, dirt-repellent, tear- and abrasion-resistant, ideal for use outdoors.
2. Comfortable even during prolonged transport.
The adjustable padded shoulder strap ensures ergonomic and comfortable carrying, even when fully loaded, making it a perfect alternative to a work backpack.
3. Secure and fast closure.
The two buckle fasteners provide reliable protection of tools, preventing accidental openings and ensuring a stable hold during movement.
4. Order and practicality in every detail.
The transparent inner pouch is ideal for storing small documents, technical sheets, or assembly instructions, improving overall job organization.
5. Compact yet spacious.
With external dimensions of 410 x 200 x 180 mm and a light weight of 1.2 kg, the BCF 134 R is a compact

yet surprisingly roomy tool bag, perfect even for fitting inside a larger tool case.
6. Perfect for intensive professional use.
The solid construction with reinforced stitching is designed to withstand daily intensive use, making it a true professional-grade tool bag for demanding users.
