PRODUCT DATA SHEET

Work Line by GT Tool Bag BCF 135 R
(Discontinued item – Available until stock lasts)

EAN 8024482189772

Waterproof Durability and Comfort for Daily Work

The BCF 135 R is a heavy-duty tool bag designed for professionals working in tough conditions — such as plumbers, maintenance staff, or installers.
Made of Tarpaulin, a highly resistant and waterproof material, this tool bag protects against weather and wear.
Reinforced stitching, padded adjustable strap, and quick-release buckles ensure reliability, comfort, and convenience on the go.
Compact yet spacious, it's ideal as a standalone tool case or to complement a professional tool trolley or case.

Features

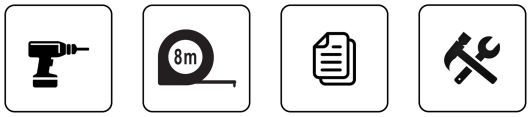

1.Durable and Waterproof Structure for Challenging Environments.
Made from ultra-tough and waterproof Tarpaulin, the BCF 135 R professional tool bag is designed for environments exposed to dust, water, and extreme conditions.
2. Comfortable for Daily Transport.
The adjustable padded shoulder strap ensures even weight distribution, reducing fatigue during frequent travel—perfect for professionals constantly on the move.
3. Secure and Reliable Closure.
The two front buckles provide quick and reliable closure, keeping your tools securely in place even during dynamic transportation.
4. Optimal Document Management.

5. Compact Yet Spacious.
With dimensions of 450 x 200 x 180 mm and a weight of 1.47 kg, the BCF 135 R offers the right capacity for daily essentials without compromising portability.
6. Perfect for Integration in Professional Transport Systems.

Usable on its own or as an addition to a tool case or a professional backpack, this bag is a flexible solution for organizing and protecting tools in any working environment.
