# PRODUCT DATA SHEET

## Work Line by GT Tool Bucket Top Basket M R (Discontinued item – Available until stock lasts)

**EAN 8024482188928**

## Quick Access, Maximum Organization, and Total Versatility

The Top Basket M R is a compact, robust, and versatile tool bucket designed to meet the everyday needs of mobile technicians and maintenance workers.
Equipped with internal and external pockets, adjustable shoulder strap, metal carry handle, and a removable fabric cover, this work bucket offers a practical and immediate solution for transporting and organizing tools, small parts, and accessories.
Front and rear flip-down panels open 90° for direct access to tools, making it perfect as a tool bag, professional tool tote, or a complement to a tool case or work backpack.

**Features**

1. Open structure for instant tool access.
The basket-style design offers full visibility of contents, ideal for fast and dynamic tasks.
2. Flip-down fronts opening 90°.
The front and back panels fully open for easy tool access, even in tight spaces.
3. Removable fabric cover with Velcro closure.
Protects tools from dust and weather, keeping the tool bag clean and ready to use.
4. Internal and external pockets for organized separation.
Allows efficient storage of main tools, small parts, accessories, and technical documents.
5. Adjustable shoulder strap and metal handle for flexible transport.
Can be carried over the shoulder or by hand, adapting to any work situation and minimizing bulk.
6. Compact and lightweight design.
With dimensions of 410 x 230 x 280 mm and a weight of 1.40 kg, it's perfect to use independently or as part of a tool case, trolley backpack, or professional backpack.
7. Ideal for maintenance workers, electricians, and field technicians.
Combines the practicality of a tool bag with the strength required for daily professional challenges on the move.
