Maximum Versatility and Organization on the Move

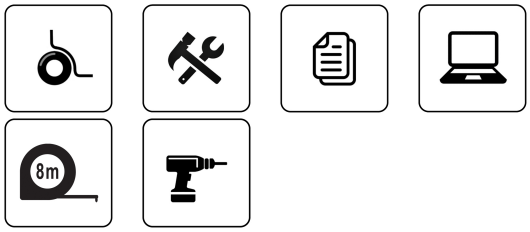

The Soft Trolley 01 R is a compact, multifunctional work trolley. Equipped with a removable tool panel, adjustable shoulder straps, and a wheel protection system, it guarantees flexibility and comfort in any work situation. It combines the practicality of a professional backpack with the functionality of a tool trolley.

Features

1. 2-in-1 solution: professional backpack and trolley.
Can be used as a tool backpack or a rolling tool trolley, making it perfect for mobile professionals.
2. Removable internal tool panel.
Equipped with elastic bands and pockets on both sides, allowing you to organize and quickly access essential tools.
3. Functional and well-organized interior.
The inner side of the backpack features additional fixed pockets and elastics for neatly managing tools and accessories.
4. Comfortable transport with adjustable shoulder straps.
When used as a work backpack, the adjustable straps ensure a customizable, comfortable fit, even for long trips.
5. Front pocket for documents and stationery.
The front compartment is ideal for carrying documents, pens, and small accessories in an organized manner—perfect for technicians and installers.
6. Integrated wheel protection.
In backpack mode, the wheel cover prevents dirt and enhances comfort even in indoor environments.
7. Compact and lightweight for total mobility.
Measuring 310 x 190 x 480 mm and weighing only 2.5 kg, it’s an ideal work tool bag for frequent site, plant, or office travel.
8. Perfect for all technical professionals.
The Soft Trolley 01 R is a complete tool bag designed to meet the needs of those working efficiently and stylishly in the field.
