PRODUCT DATA SHEET

Work Line by GT – MONOLITH CROSS LT40 Tool Trolley

EAN 8024482193762

New energy for professional versatility

Monolith Cross LT40 is the Work Line trolley with an innovative design, developed for professionals working in the field who demand maximum functionality and organization. The large 120 mm treaded wheels, rigid base, and backpack-carrying configuration ensure freedom of movement and durability in any operational environment.
With 46 pockets, 6 elastic loops, a double removable tool panel, it delivers superior load capacity and organization for up to 66 tools.

Features

1. **40 L Capacity**: Spacious 40-liter volume designed to carry a wide range of tools and accessories.
2. **Large Wheels**: Equipped with durable Ø120 mm treaded wheels for smooth and stable movement on different surfaces.
3. **Convertible Trolley System**: Can be used both as a trolley and as a backpack, offering maximum versatility during transport.
4. **Comfort Handle**: Ergonomic rubber handle with memory foam for a secure and comfortable grip.
5. **Back Panel Storage**: Internal back panel designed to hold up to three small WL parts boxes.
6. **Ergonomic Backrest**: Padded backrest with attachment points for the included shoulder straps, ensuring comfort when worn as a backpack.
7. **Internal Tool Panels**: Large main compartment featuring double removable tool panels with integrated handles for easy organization and access.

8. **Side Pockets**:

· Dedicated document and laptop pocket

· Two external auxiliary pockets with MOLLE system for modular expansion

9. **High Storage Capacity**: Includes 46 pockets and 6 elastic loops, allowing the transport of up to 66 tools in total.

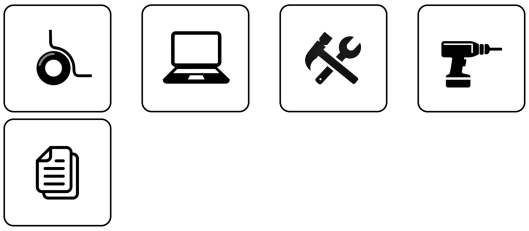

10. **Front Compartment**: Semi-rigid EVA front compartment with an accessory pocket and internal zip access for added protection and organization.

Reinforced Base: Rigid plastic base for increased stability, durability, and protection against impacts and moisture.
